

"Therefore be it resolved by the House of Representatives of the State of Georgia that the Speaker be authorized to appoint a committee or committees from this House to confer with a like committee or committees from these other states on the question of taxation at such time and place as may be agreed upon by such committees, after and when such other states signify a willingness to so confer; the actual expenses of such committees to be paid from the proper fund; and,

Committees for
tax conference.

"Be it further Resolved that a copy of this resolution be sent to the Speaker of the House of Representatives of each of the aforesaid states, with request for an answer on their part as to whether they wish to so confer, and under what terms."

And whereas, it is the sense of the General Assembly of North Carolina to express a willingness to co-operate with Representatives of said State:

Now, therefore, be it resolved by the House of Representatives, the Senate concurring:

SECTION 1. That the General Assembly of the State of North Carolina does hereby authorize and empower the Speaker of the House, and the President of the Senate, to appoint a committee of two on the part of the Senate, and three on the part of the House, to meet and confer with Representatives of said State at such places and times as may be agreed upon by said committees.

N. C. committee
authorized.

SEC. 2. That this resolution shall be in full force and effect from and after its ratification.

Ratified this the 18th day of February, A. D. 1935.

S.R. 176 RESOLUTION No. 22

JOINT RESOLUTION MEMORIALIZING CONGRESS TO USE GRANITE AND NATURAL STONE IN THE CON- STRUCTION OF PUBLIC BUILDINGS.

Whereas, the federal government is contemplating an extensive public works program, under which many public buildings will be erected throughout the United States; and

Preamble: Fed-
eral building
program.

Whereas, the present status of unemployment in the granite and stone industries in the State of North Carolina and other granite and stone producing states is deplorable, it being estimated that from eighty to eight-five per cent of granite and stone employees are on federal relief; and

Condition of
granite and stone
industry.

Whereas, the greater portion of the cost of finished granite and stone is incurred by labor; and
